TRAINING ON LIVE NETWORKS

R E A L TRAINING

Are you interested in a networking career that averages 20k – 30k for starters?

We intend to introduce brand new energy in the IT training & certifications domain by introducing world class and industry proven Hands-on Instructor-led courses for producing the next generation of certified Network Engineers.

Benefits of training with us:

- Curriculum authored by Cisco Certified Internetwork Experts - CCIE's
- Training provided by the elite group of CCIE Instructors/Consultants with a proven track record and industry experience.
- Individual rack access
- Limited number of candidates in each program
- Flexible batch timings for working professionals & IT aspirants
- Exam Pass Promise: Attempt your exam within 4 weeks of course completion, if you do not pass the exam we will re-train you for free.
- Course materials, Exam preparation techniques & Mock Exams all included in the programme.
